HENRY S. ZIEGLER,

Store, No 121 North Fourth Street.

Factory, Nos. 611 & 613 St. John Street.

PHILADELPHIA..

Henry S. Ziegler's

THE PAINTERS' FAVORITE READY MIXED COTTAGE PAINTS.

Sold by the Gallon,

Mixed Ready for the Brush,

and require no additional material of any kind.

These Paints are beautiful, economical and durable, and may be applied to any surface,—wood, plaster, brick, stone or iron.

They are water-proof, and will not fade, peel, crack, chalk or blister.

In the manufacture of these prepared Paints I claim no advantage of discovery of chemical combinations; but having every facility that a complete manufacturing establishment can offer, with a full knowledge to compound a pure and durable Linseed Oil Paint, I offer the above as

PURE TINTED BODY PAINTS.

One gallon will make a perfect and glossy job on 200 to 250 square feet of surface.

EXAMINE THE BRAND

as not all Ready Mixed Paints are alike in quality.

ZIEGLER'S

READY MIXED PAINTS,

REQUIRING NO THINNING FOR USE.

*The Body and Gloss Finish are superior
and durable.*

DIRECTIONS.

Observe the ordinary rules of Painting; have the surface dry and free from dust, cover knotty and sappy portions with shellac or sizing, putty all cracks and nail holes, allow sufficient time for each coat to dry thoroughly, and apply the paint smoothly and evenly.

CALCULATIONS FOR QUANTITY.

*Rule for Ascertaining the Amount of Paint Required to Cover
a Desired Surface.*

Add the number of feet in width [front and rear] to the number of feet in length [both sides]; this multiplied by the average height, gives the number of square feet to be painted. This divided by 200, as one gallon of this paint covers 200 square feet [*two coats*], gives the amount required *in gallons*.

[EXAMPLE]	Front, 20 feet.
	Rear, 20 "
	Side, 40 "
	Side, 40 "

120

[Multiply] Height, 20 feet.

200)2400

12 gallons for 2 coats.

HENRY S. ZIEGLER,
Successor to
**ZIEGLER & SMITH,
MANUFACTURER.**

STORE, No. 121 North Fourth Street.

FACTORY, Nos. 611 & 613 St. John Street.

PHILADELPHIA.

**THE
PAINTERS',
MANUFACTURERS' AND BUILDERS'
READY MIXED OIL PAINT**

is sold only by the Gallon, and manufactured to require no additional oil, thinner or drier.

By mixing and grinding dry paint with sufficient Linseed Oil to make a paint

READY FOR USE,

a combination is made which for **Durability, Beauty and Economy** surpasses paint ground and prepared in the ordinary way.

The best materials are used in this paint, and positively no other oil than

PURE LINSEED OIL.

All the shades produced, comprising *White* for inside and outside, *Metallic Brown*, *Ven. Red*, *Yellow Ochre*, *Black*, *Permanent Green*, *Vermilion*, *Chrome Yellow*, *Blue*, *Imitation of Brick and Stone*, and all the shades of

COTTAGE COLORS,

are recommended for all classes of work, inside and outside, on

WOOD, METAL, STONE, ROUGH CAST, &c.

SOLD BY THE GALLON,

And packed for shipment, in $\frac{1}{8}$, $\frac{1}{4}$, $\frac{1}{2}$, 1, 2, 3, 5, 10, 20, and 40 gallon packages.
